

Sponsorship Donation Form

Cypress Hills Camp is so thankful for those people who assist campers in attending a camp session.

We do not want funds to be the reason why someone cannot attend camp and are grateful to those who chose to help by donating funds towards our sponsorship program. Please note that what we charge for a week of camp is approximately half of what it costs us per camper each week (around \$500). Our camp continues to run due to the faithfulness of our supporters, so thank you!
